

# PRODUCT LINES

NSI Neal Systems Inc.

## SCHNEIDER ELECTRIC

Process Instrumentation (Pressure, Flow, Temperature, Level) and Remote Operations (Wireless, RTUs, SCADA, Cloud-based Dataloggers)

## METRIX VIBRATION

Vibration Sensing and Monitoring with Switches, Accelerometers, Transmitters, and Digital Proximity

## DRAEGER SAFETY

Fixed and Portable Gas/Flame Detection

## WATLOW EURO THERM

PID Controllers, Limit Alarms, Electric Heat Power Control, Data Recording, Industrial Heaters

## EATON MTL

Intrinsic Safety Barriers / Isolators and Surge Protectors

## GE MDS

Industrial Cellular, Licensed, and Unlicensed Wireless Radio Solutions

**ALTA SOLUTIONS**

Advanced Vibration and Rotating Machinery Monitoring and Protection

**AUTOMATION SERVICE**

Remanufactured Instrumentation (Foxboro, Rosemount), Pneumatic Controllers and Valves (Fisher)

**BABBITT**

Industrial Level Switches

**CANTY**

Process Cameras, Custom Visual Analyzers, Unbreakable Sight Glasses, and LED Lighting for Process Tanks

**CATTRON**

Remote Asset Monitoring

**ELPRO**

Industrial Wireless Unlicensed Radios with Built-In Analog / Digital I/O

**EXPO**

Panel Purging and Pressurization Solutions for Hazardous Areas

**HITECH**

Analyzers for Oxygen, Chlorine, Hydrocarbons, and Bio-Gas Analyzers

**KISTLER MORSE**

Weighing: Load Cells, Bolt-on Strain Gauges, & Ultrasonic Weighing

**KELLER AMERICA**

Submersible Pressure Transmitters

**KOBOLD**

Pressure, Level, Flow, Temperature, Density

**L&J TECHNOLOGIES**

Industrial Fuel Storage Tank Solutions

**MINCO**

Custom Heating, Flex Circuit, and Temperature Sensor Solutions

**M-SYSTEM**

Signal Isolator and Conditioning

**PROCESS INSIGHTS**

Process Analyzers / Gas Chromatographs

**PROCESS SENSOR**

Non-Contact Temperature, Thermal Imagers. Pyrometers

**PYROMATION**

RTDs, Thermocouples, Temperature Measurement

**RED LION**

Industrial network switches, HMLs, data/protocol converters

**SERVOMEX**

Process Gas and Moisture Analyzers for Oxygen, Ammonia, Nitrogen, CEMS, and High Purity Gas Applications

**THAYER SCALE**

Continuous Weighing, Feeding and Blending of Dry Materials
