RTUs, GeoSCADA Hosting/
Open/Scalable software, Cellular
Dataloggers, Wireless Trio Radios

METRIX VIBRATION

Vibration Sensing and
Monitoring with Switches,
Accelerometers, Transmitters,
and Digital Proximity

DRAEGER SAFETY

Fixed and Portable Gas/Flame
Detection, Fire Protection

GE VERNOVA
Distributor
Grid Solutions

GE MDS WIRELESS

Industrial Cellular, Licensed,
and Unlicensed Wireless Radio
Solutions

WATLOW / EURO THERM

PID Controllers, Limit Alarms,
Electric Heat Power Control,
Data Recording, Industrial
Heaters

ALTA SOLUTIONS

Advanced Vibration and Rotating Machinery Monitoring and Protection

AUTOMATION SERVICE

Remanufactured Instrumentation (Foxboro, Rosemount), Pneumatic Controllers and Valves (Fisher)

BABBITT

Industrial Level Switches, Magnetic Level Indicators

CANTY

Process Camera, Custom Visual Analyzers, Unbreakable Sight Glasses, and LED Lighting for Process Tanks

CATTRON

Remote Asset Monitoring

EATON MTL

Intrinsic Safety Barriers/ Isolators and Surge Protectors

ELPRO

Industrial Wireless Unlicensed Radios with Built-in Analog/Digital I/O

EXPO

Panel Purging and Pressurization Solutions for Hazardous Areas

KELLER AMERICA

Submersible Pressure Transmitters

KISTLER MORSE

Process Weighing & Inventory Management, Load Cells, Bolt-On Strain Gauges

KOBOLD

Pressure, Level, Flow, Temperature, Density

L&J / SHAND & JURIS

Industrial Fuel Storage Tank Solutions

MINCO

Custom Heating, Flex Circuit, and Temperature Sensor Solutions

M-SYSTEM

Signal Isolator and Conditioning

PROCESS INSIGHTS

Process Analyzers/Gas Chromatographs, Mass Spectrometers

PYROMATION

RTDs, Thermocouples, Temperature Measurement

RED LION

Industrial Network Switches, HMIs, Data/ Protocol Converters

SERVOMEX

Process Gas Analyzers for Oxygen, Ammonia, Nitrogen, CEMS and High Purity Applications

Continuous Weighing, Feeding and Blending of Dry Materials

WILLIAMSON

Infrared Pyrometers and Pilot Flame/Flare Detection
