

COMPLETE INDUSTRIAL AUTOMATION SOLUTIONS

**YOUR TOTAL AND COMPREHENSIVE RESOURCE FOR
ALL ASPECTS OF PLANT & PROCESS CONTROL**

Process Instrumentation (Flow, Pressure, Level, Temperature, Liquid Analytical)
Control & SCADA • Hazardous Area Electrical Protection
Control Valves & Hardware • Gas & Flame Detection • Gas Analyzers
Data Acquisition & Reports • Vibration Monitoring • Signals & Displays
Plant Networking • Industrial Wireless • Cybersecurity

Representing

Measurements

**Pressure /
Differential**

**Temperature
(contacting)**

**Temperature
(non-contacting)**

**Oxygen Gas
Analyzers**

**Process Gas
Analyzers**

**Submersible
Level**

**Radar
Level**

**Flow
Meters**

pH / ORP

Conductivity

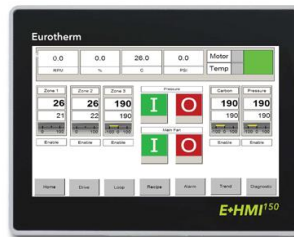

Control

**Temperature PID
Controllers**

**Electric Heat
Power Control**

**Specialized
PLCs**

**Process
Automation
Control**

Protection

***Intrinsic Safety
Barriers/Isolators***

***Vibration
Accelerometers***

***Vibration Proximity
Sensors***

***Vibration
Switches***

***X, Y, Z Purging
for Panels***

***Flame
Detectors***

***Personal Gas
Detectors***

***Gas (Tox, LEL, Ox)
Detectors***

Valves & Hardware

***Globe
Control Valves***

***Valve
Positioners***

***Flame
Arresters***

***Storage Tank
Accessories***

Products

Networking, Wired, & Wireless

**Industrial
Routers/Switches**

**Industrial Wireless
Radios/Modems**

**Cybersecurity
Hardware**

**Surge &
Isolators**

SCADA Data Acquisition, Visualization, & Recording

**SCADA
Trending/Reporting**

**Industrial
RTUs**

**Plant
HMIs**

**Electronic Data
Acquisition**

The NSI Difference

Why do business with NSI?

- We Provide the Right Solution at the Best Value for Your Application Need
- We Team with Our Customers as True Partners
- We Offer Broad Technical Experience in a Wide Range of Industries

NSI Neal Systems, Inc.
122 Terry Drive
Newtown, PA 18940
